STREAMS

RIVIERA PLOTS,
MUTTUKADU

Gated community with well-laid wide roads | 24-hour security | Scenic landscaping

A WEEKEND GETAWAY THAT'S NOT TOO FAR AWAY...

Muttukadu; an iconic travel and leisure destination for residents of Chennai. A place where untainted sea breeze generously flows across your face and where nature abundantly envelops your senses.

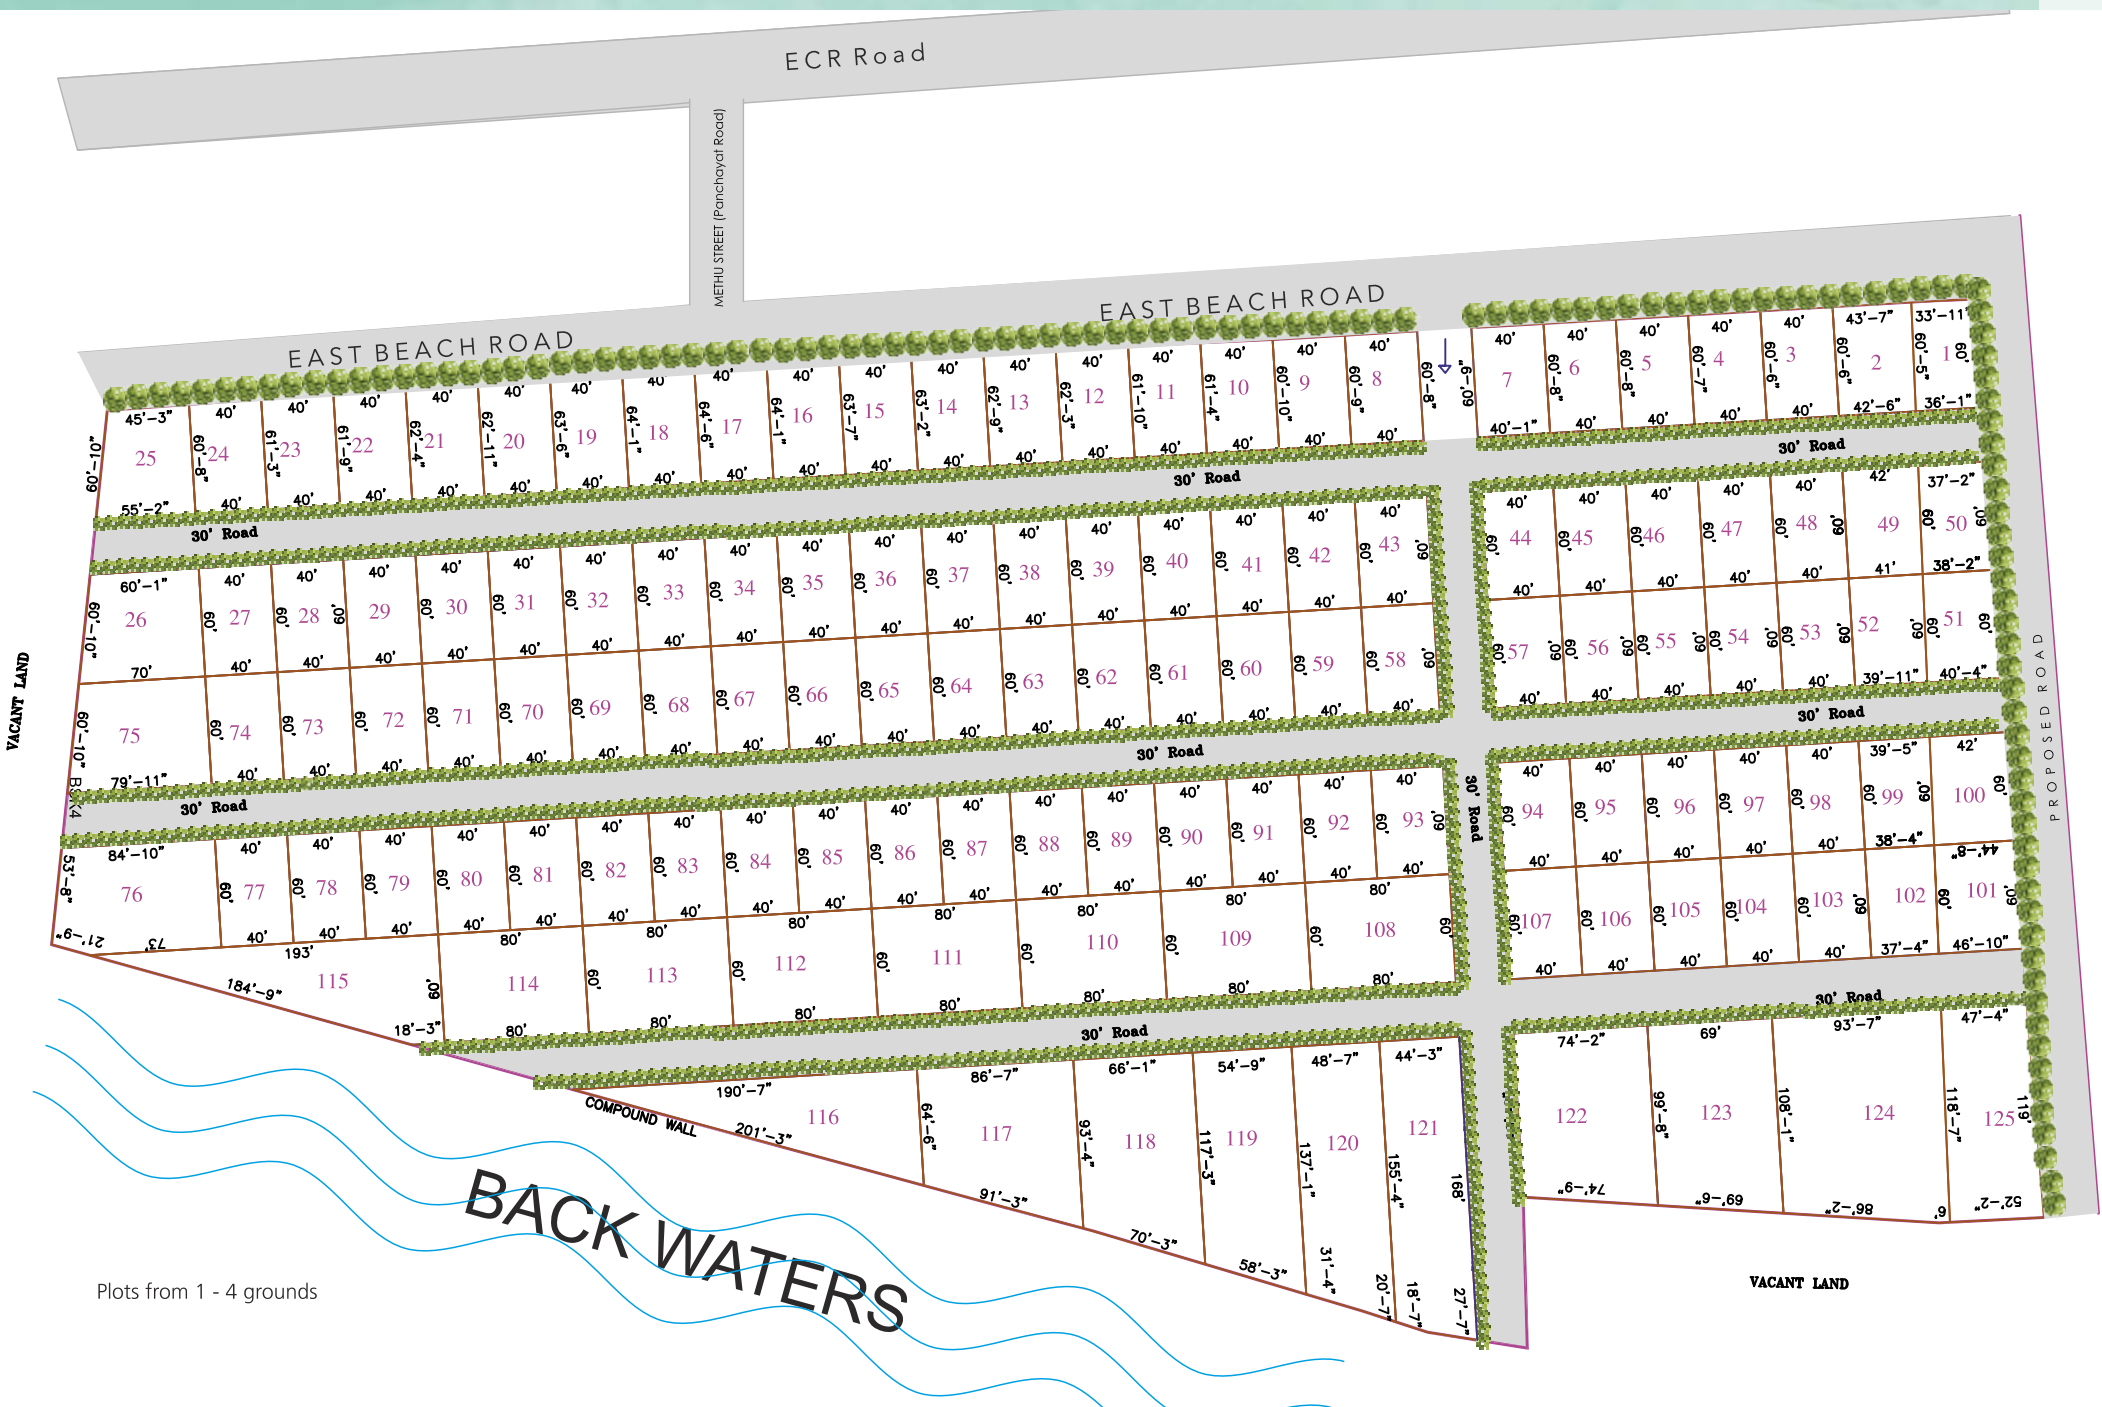

Streams is a gated community of 125 high-appreciation coastal plots elegantly placed facing the backwaters of the Bay of Bengal and near Muttukadu. A treasure trove of natural surroundings to duly complement a relaxing and rejuvenating weekend retreat from the manic city life. An investment in prime property as well as peace of mind.

ESCAPE TO NATURE.

Set amongst lush greenery on the breezy, pollution free banks of the Muttukadu backwaters, the riviera plots at Agni Streams are the perfect getaway.

Neatly laid out with clearly demarcated boundaries and well laid roads that connect the plots, these exclusive spaces are specially meant for those who like to spend time away from the din of daily living, lost in the soothing privacy of nature.
